RELIABLE GARBAGE BAGS

Use the best

HIGH QUALITY

A versatile range of garbage bags made from tough linear low density polyethylene (LLDPE) from 55 litres through to 240 litres capacity.

GLAD® TUFF STUFF™ Bags

- ◆ Offer reliable and superior performance.
- ◆ Individually folded bags for easy dispensing or convenient roll packs.
- ◆ The stretch in linear low density polyethylene makes it both puncture and split resistant which is ideal for containing heavy bulky waste.
- ◆ Tight seals ensure no messy leakage of contents and no costly clean ups.
- ◆ Use for bulky storage requirements as well as conventional waste disposal needs.

OSO® Garbage Bags

- ◆ Ideal for disposing of waste for the price savvy end-user.
