SUSTAINABLE CLOTHS, WIPES & SCOURERS

Reduce the impact
on the environment

WITH THIS HIGHLY EFFECTIVE
RANGE OF CLEANING AIDS, FROM
THE BRAND YOU CAN TRUST.

CHUX® sustainable range of products are made from biodegradable natural fibres or recycled fibres, plus all products are sold in recyclable packaging printed with soy based inks.

NEW

100% NATURAL & RENEWABLE CHUX® BIODEGRADABLE SUPERWIPES®

- ◆ CHUX® Biodegradable Superwipes® are made from 100% natural and renewable viscose cellulose fibres.
- ◆ Viscose cellulose, is a naturally super absorbent fibre, with one Superwipe® absorbing up to 10 times its own weight in liquid.
- ◆ CHUX® Biodegradable Superwipes® are 100% biodegradable and naturally break down, in compostable conditions, reducing the impact on our natural environment (independently tested by CSIRO Report No: 10-0711).
- ◆ With double action holes CHUX® Biodegradable Superwipes® easily pick up dirt and food particles and allow for the cloth to be rinsed clean for use over and over again.
- ◆ CHUX® Biodegradable Superwipes® are HACCP* Australia Food Safety Programme Certified.

**MADE FROM
100% NATURAL
FIBRES***

* HACCP Australia's evaluation of CHUX SUPERWIPES® (PE-197- CA-01) concluded they satisfy all requirements in accordance with the standards of HACCP Australia Food Safety Certification Systems.

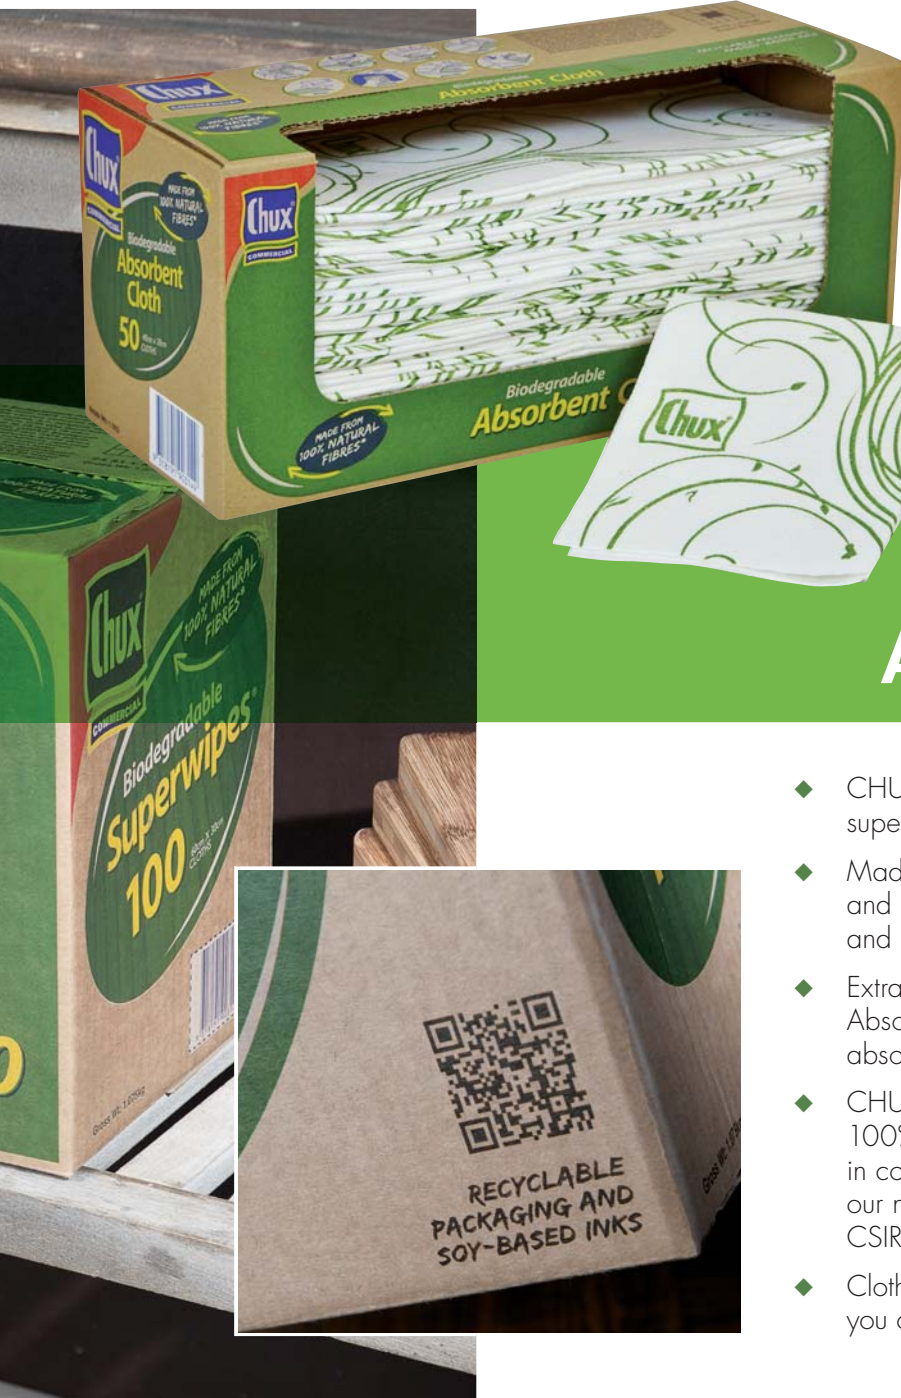

REUSE
OVER & OVER,
REDUCE WASTE

CHUX® BIODEGRADABLE ABSORBENT CLOTH

- ◆ CHUX® Biodegradable Absorbent Cloth is a super absorbent and super strong, reusable cloth.
- ◆ Made from naturally absorbent viscose cellulose and bamboo fibres, both fibres are 100% natural and renewable resources.
- ◆ Extra thick and strong CHUX® Biodegradable Absorbent Cloths are ideal for wiping large spills absorbing up to 12 times their weight in liquid.
- ◆ CHUX® Biodegradable Absorbent Cloths are 100% biodegradable and naturally break down, in compostable conditions, reducing the impact on our natural environment (independently tested by CSIRO Report No:11-0057).
- ◆ Cloths are machine washable in warm water so you can reuse them over and over, reducing waste.

CHUX® Non-Scratch Scourer Sponges

- ◆ CHUX® Non-Scratch Scourer Sponge is a highly effective cleaning aid made from natural and recycled fibres.
- ◆ Safe for non-stick cookware, the non-scratch scourer is made from post consumer recycled PET bottle fibres, with abrasive particles ideal for removing tough marks, grease & grime, without scratching.
- ◆ The sponge is made from 100% natural cellulose, a highly absorbent material, ideal for wiping benches and spills.
- ◆ CHUX® Non-Scratch Scourer Sponges are packed in special plastic film designed to break down when exposed to the elements.

New sustainable cleaning range

PROVIDING NEW SMART CHOICES OF NATURAL, REUSABLE AND RECYCLABLE PRODUCTS AND PACKAGING.

Biodegradable

Products or materials that can be broken down in nature by micro organisms, especially by bacteria into generally harmless substances to the environment. The CHUX® biodegradable range of products passed the biodegradability tests independently conducted by the CSIRO.

Sustainable

Products or materials that can be produced for prolonged periods of time, meeting the needs of the present generation without compromising the ability of future generations to meet their needs. Sustainable products or materials are practical, economically, socially and environmentally, and are viable in the long term.

Quality ISO 9001
